

VOLUME XIV.

THE DAILY SENTINEL.
RUFUS KING & WM. H. WATSON,
PROPRIETORS.
Under the Name and Firm of RUFUS KING & CO.
MILWAUKEE:
Wednesday Morning, March 25.
For Chief Justice of the Supreme Court,
EDWARD V. WHITON.
ELECTION, TUESDAY, APRIL 7.

News of the Morning.

The Africa, with a week's interval from Europe, arrived at New York yesterday. Her news is interesting. England and Persia have made peace, while the Chinese quarter grows more bitter and bloody. We have details of the defeat of the British Ministry, and of the course which Lord Palmerston intends to pursue. Broadcasts were again lower and the money market c.

In Washington we hear of some further appointments. The notorious Capt. RENDEN, of the Esopus Club, is appointed Marshal of New York—a most discreditable appointment. The Departments are overruled, with office-beggars.

The case of Gov. GRANT is not yet disposed of. Every day it strengthens the hands of the "Border Ruffians."

Negotiations on Lake Michigan are fully resumed, and we note daily arrivals and clearances at this port.

Gov. GEARY EXCOMMUNICATED.

The News of yesterday, after taking time to consider, launches a bill of excommunication against Gov. GEARY. That gentleman is formally read out of the Democratic party, and consigned to the tender mercies of the Republicans.

While carefully withholding from its readers Gov. GEARY's reasons for resigning, the office he could no longer occupy, with safety to himself, or advantage to the public, the *News* pronounces judgment against him, first for resigning at all; secondly, for the reasons he assigns for the act; and thirdly, for not resigning before. Hear Sir Oracle back of the late idol of its worship:

"To ARGUABLY RETIRATE." MONROVIA, JAC. 19, 1821.

It is sensible of the conduct

of his predecessor, who held the office under

the circumstances of his removal,

and with the silent acquiescence of his

party and friends, by a crafty chief judge,

who sophomorizes the law to his mind, by the

use of his own reasoning:

"TO ARGUABLY RETIRATE."

COUNTRY MERCHANTS visiting our city can find the location of the principal Wholesale Houses and Manufacturing Establishments, by viewing the Business Directory of this paper.

NOTICE.—The electors of the town of Lake will meet at the house of G. D. Baker, on Saturday, the 4th day of April, to nominate officers for said town.

By order of Town Committee.

JUDICIAL COURT, MARCH 24.

DETROIT CLINTON WILHORST, POLICE JUSTICE.

Michael Davis, drunk, fined \$2.

Moses Moloney, charged with vagrancy and boggling in the streets, discharged.

Hester Doherty, old offender, drunk, fined 40.

In default of payment to suit for 15 days.

Joseph Doherty, old offender, drunk, fined 40, to jail for 30 days in default of \$2 fine.

Ernest Doherty, charged with robbing officer, fined \$5.

Alfred B. Ostrand, charged with disorderly conduct and abusing his wife, fined \$2.

Colarusso, black, who has been round the streets boggling pamphlets containing a description of his trials and sufferings in Slavey for 20 years, and his impotencies for driving negroes to escape, &c., was brought up on a charge of being drunk, lying at length upon the sidewalk. Mr. Anderson looked him over and said he was not drunk, but was overcome with fatigue, and had laid down to rest. The Police testified that they found him on the sidewalk dead drunk, and had to carry him to the Station House. He was fined \$1, as it was the first offense in this city, and discharged.

Edward Kavanagh and John Kavanagh were tried for an assault and battery upon Edward Cunningham on the 1st of March. Kavanagh was discharged—Cunningham was found guilty and sentenced to fifty days imprisonment in the County Jail.

To Advertisers and Correspondents.

Advertisers and correspondents must exercise a little patience about these days, as the pressure upon our columns, consequent upon the opening of Spring batheras, makes it difficult, for the moment, to keep up with the demand.

WARD CONVENTION.

The 4th Annual Meeting of the Ward Convention was not affixed to the Lorraine Hotel, on Monday afternoon, to nominate Ward Officers and Delegates to the City and Judicial Conventions.

A like meeting is to be held in the First Ward, at the house of Peter Thiel, on Saturday afternoon.

The electors of the Sixth Ward held a caucus to nominate Ward Officers, etc., Wednesday afternoon, at Alster's Hall, corner Sherman Street and Green Bay road.

The democratic electors of the Eighth Ward also met this evening, at John Flanery's Saloon, corner of Brown and Elizabeth streets, to discuss Ward matters.

NORTH WESTERN TRANSPORTATION CO.—See L.

J. HIGGINS' advertisement of the promoters of the North-

western Transportation Co., line, seven vessels, vessels, and the line on the New York Canals connecting them, with the Great Lakes, and the St. Lawrence River, during the coming season of navigation, at this port will be much greater than ever before, and the vast trade to be opened with the Mississippi river and the country beyond requires it. It will be noticed that it is contemplated to have goods brought on by this line landed immediately at the docks of the Mill & Mills, and the Mill & Waterman R. Co., etc.

A GENERAL NOTICE TO CITIZENS.—The Common Council, at their last meeting, adopted the following resolution and directed it to Chief Police to enforce it:

That all persons, boats, barges, or other obstructions, in any of the streets or alleys, or upon any public grounds of the city of Milwaukee, are hereby prohibited from being placed thereon, except by the owners of the same.

All fences and buildings or other obstruc-

tions, not removed on or before the 1st day of April, shall be removed by the police, at the expense of the owner.

As an ordinance to provide for the abatement of vermin, approved April 3, 1856.

ARCHITECTURE.—We invite attention to the card of Messrs. BROWN & CO., our neighbors, who are engaged in the construction of the new Walker House, the Cathedral of the Church, etc. There is to be a great deal of building this season, and those who are making calculations to that end do better to go to Messrs. BROWN & CO. These gentlemen are preparing the plans for several very handsome private residences, and are among the best builders in the city, as well as one of the best builders in town, as represented by the number of the buildings for which they furnish the plans.

FRANCIS GRANGER.—The fire on Monday night did little damage to his hotel, and the doors for two hours in the afternoon, and will continue his regular trips. At 4 P.M., she seemed to be around him outside of the Straight Cat. The weather was considerably. Work ought to be commenced with the dredge immediately. There is no reason why there should not be a perfectly safe channel there.

HUTCHINSON'S COMING.—Those who have listened with pleasure to the songs and choruses of the Hutchinson family, and those who, from time to time, have paid a visit to their performances, will be gratified with the announcement that those of the brothers, John and Al, will appear here Friday night. The more announcements are sufficient to give them a good house, if the night is all favorable.

WAUKESHA CIRCUS COMPANY.—The Grand Jury of Waukesha County, now in session, have agreed to find a bill of indictment for me to file against Captain J. F. Polk, for the wilful breaking and entering into a dwelling house, the Cathedral Church, etc. This will be in January 1st. Stevens was arrested in this city by Polkman, having lied here the day the act was committed. The case will not be tried till June term, to enable the court to hear for his witness who resided in Buffalo.

PASSENGER AGENCY.—See the card of Mr. KRAMERSON, passenger agent, this agency did a large business last year in forwarding drafts abroad, and having many bound books, and its business we believe conducted so as to give satisfaction to all parties concerned.

NEW VENICE.—The new schoolhouse which Capt. BROWN is building during the past winter, will be open to the public regularly, during the season, between April 1st and October 1st. It is a stately, handy craft, and, we believe, intended for the lumber trade.

SALE OF ORN' LAMP & MANIF.—Parties who desire to invest in real estate at Madison, or to purchase land in that beautiful country in the west will do well to take note of the sale advertised to-day by Messrs. WILLIAMS & BROWN.

LECTURE BY MR. RICHMOND.—Mr. Richmond is to lecture to increase earnings, at the Albany Hall, on the "Poetry of Life"—a fertile subject upon which we will do nothing adding an interesting lecture.

NEW HABITS.—Mr. Broderick of Columbus, Ohio, has started four posts in this city, of different sizes and shapes from those he has here. He proposes to increase the number if he meets with sufficient encouragement.

NEW BOOKS.—WILSON has a list of valuable new publications and standard works in to-day's paper. We have received from him a batch of books, which we shall notice at the earliest day possible.

HARPER & APRIL.—McDONALD & CO., at the New Haven, Conn., are already in receipt of Harper for April, as well as other late publications.
